Story Unlike the other TD bloons games, Bloons Super Monkey features unique gameplay where you can join your favorite monkeys in their exciting missions to defeat the evil Bloons. This time, they are trying to take the beloved city of Monkey Town, where all the good monkeys are living in peace. Thus, monkey heroes must rise up and defeat the invaders to protect their homes. Fly above the sky with your Super Monkeys as they fly everywhere, firing powerful ranged attacks to defeat herds of Bloons who are trying to get close to you. Unlock different monkeys with unique powers and have them help you on your journey. Make uses of many useful buffs and to make your heroes even more capable. Find yourself taking on the annoying Bloons through many exciting levels with climbing climbing Fight different enemies with unique powers and abilities. Take on giant bosses in epic battles in the sky and travel through varied locations in the world of Bloons and Monkeys. Here you will find all the exciting features that the game has to offer. To get started, Android players will have their chances to experience a new bloom adventure where you will join the fast and exciting challenges with our Super Monkey heroes. Fly over the sky and take down bloom swarms with your superhero attacks. Make uses of the powerful arsenal as you take down hundreds of bloons to clear your ways. Fight against different bloom formations as well as epic bosses. Keep knocking them down as you go and never stop until you reach your goals. Find yourself facing the evil bubbles in over 100 different levels, featuring unique obstacles and enemies to take down. With more and more powerful bubbles waiting, you will have your monkey hero ready for any situation. But first, you'll need to get used to hero stuff as you fly over the sky dodging your attacks and firing yours. Speaking of which, the game has simple and intuitive controls that allow you to quickly get used to its gameplay and features. However, don't think about the game so easy, as you'll have to spend a lot of time to master the challenges as well as the epic opponents you'll face. And to help you battle your battle against the epic Bloom monsters, players in Bloons Super Monkey 2 will have access to a huge collection of different weapons with the epic powers of the Doomsday Glove that fire deadly rays, the Yeti that unleash freezes explosions, and the powerful Sidewinder Ace that shoots down multiple enemies with explosive rockets. And along with the powerful weapons, you can also choose dozens of different bloom-shredding buffs that can give you serious advantages when dealing with monsters, especially the big ones. That said, you can make uses of explosive shots to take down multiple enemies at the same time, the Money of the Parallel Universe to have someone to help you and even the Power-ups of Sun God that exterminate the entire screen. Make good use of the powers and throw them at the right time to effectively take down your opponents. In addition, our super monkey hero also comes with many different upgrades that can be applied on it to further increase your powers. This includes upgradeable weapons with different options, enhanced buffs with more powerful effects, and of course our monkey hero will also become much stronger. However, if you are thinking that the recent challenges in the game are no longer challenging, chances are, you will need new ones. Therefore, for those who are interested, the exciting Diamond challenges are always available for you to participate. Find yourself in some serious bloom hardcore battles with numerous opponents and enemy bosses as you go. And have fun doing it. Not to mention the incredible rewards that can collect. And if you want to enjoy the game with friends and other players online, Bloons Super Monkey 2 also features exciting online gameplay. Here, you can challenge other players to climb the ranks and dominate the leaderboards. Face the toughest enemies as you learn to be the best monkey heroes. Along with normal challenges and online gameplay, you also get multiple achievements that you can complete and unlock amazing rewards. So feel free to test your skills and abilities in these unique challenges and have fun with your special rewards. With many different weapons and accessories that you can put on your hero, you can easily change your look to whatever you want. In addition, the strange and unique costumes will give you many different customization options on your monkey hero. Feel free to change your look as you fight epic bloom bosses with styles. And despite all the exciting features, the game is currently free for all android players to enjoy. All you need to do is install it on your mobile devices in the Google Play Store. Download and install the game without having to pay anything. But because Bloons Super Monkey still has in-app purchases and ads, some of you may find it hard to enjoy the game without feeling limited. And if that's the case, then our amazing modified gameplay will surely satisfy you. Just download and install our Bloons Super Monkey 2 Hacked instead, and you'll have access to unlimited money as well as removed ads for a more satisfying experience. The game features simple but intuitive 2D graphics where you can immerse yourself in the epic sky-shooting experiences from top to bottom with your cool-looking monkey hero. Unleash powerful and impressive attacks as you watch your enemies explode in the sky. The amazing visual effects will make you look like fireworks. Enjoy powerful and impactful sound experiences in Bloons Super Monkey 2 as you dive into the endless sky-shooting experiences for hours on end. I must say, the effects of popping bloom are really captivating. The game is the perfect idle shooting title to enjoy on your mobile devices thanks to its unique and satisfying gameplay. And not to mention that you can have it completely unlocked for free. So don't hesitate to dive into the exciting challenges in Bloons Super Monkey 2. And whenever you finish the game, but still hungry for more, idle & merge - DragonSky is also a great game that features the same mechanics, which you would surely be happy to enjoy.
